Easy-to-Assemble & Install
 Outdoor Fireplace, Grill and Island

Would you like to take your living space *outdoors*? *Improve* your backyard experience? Entertain in *style*?

Introducing...

Lion's Head Stoneworks

COLORBLOCK™
U-Connect-It System

The Lion's Head Stoneworks **ColorBlock™ U-Connect-It System** is perfect for the 'do-it-yourself' property owner or landscape professional who wishes to add a beautiful outdoor Fireplace, Grill and Island to a yard with ease.

Imagine... a beautiful landscape feature – in less time and with less know-how, specialty tools and heavy equipment.

Lion's Head Stoneworks **ColorBlock™ U-Connect-It System** Outdoor Fireplace, Grill and Island KITS come with all the pre-cut stones and adhesive you will need along with illustrated assembly instructions. All you have to do is prepare your location and have ready a few tools and materials that are listed in the assembly instructions and can be easily found at your local building center or hardware store.

HOW IT WORKS

Each Lion's Head Stoneworks **ColorBlock™ U-Connect-It System** Outdoor Fireplace, Grill and Island kit comes with all the pre-cut stone pieces you will need and is packaged for easy delivery. Each stone piece has a color-coded Lion's Head Stoneworks Logo stamped on the back which corresponds to the illustrated instructions.

Assembly is as simple as 1-2-3:

- 1 Pick your location & prepare a solid base
- 2 Select & match the color-coded logo with the help of illustrated instructions
- 3 Apply adhesive & set in place

It's that easy! Assemble your new **ColorBlock™ U-Connect-It System** Outdoor Fireplace, Grill and Island – one stone at a time, and admire your handiwork!

OUTDOOR FIREPLACE

The Lion's Head Stoneworks **ColorBlock™ U-Connect-It System** Fireplace is an attractive outdoor landscape feature that provides a focal point to any yard. The Fireplace comes in a choice of genuine Hanson Hardscapes stone and features a natural gas/propane or wood fire insert.

Optional features include:

a wood box for practical wood storage and a chimney for the gas fireplace model to provide a traditional look (but is not necessary for venting).

GRILL ISLAND

The Lion's Head Stoneworks **ColorBlock™ U-Connect-It System** Grill Island is an essential addition to any outdoor landscape feature for the ultimate grilling experience! The Grill Island comes in a choice of genuine Hanson Hardscapes stone and features a North American-made Built-In by Napoleon® grill head.
